Memory Care Personal Service Plans

Mind & Memory Care $62/day

For residents who may require minimal guidance and support but whose care needs consist primarily of verbal assistance and direction.

Mind & Memory Care I $103/day

For residents whose care needs consist primarily of physical assistance with personal care due to physical limitations or support with emotional needs.

Mind & Memory Care II $145/day

For residents whose care needs consist primarily of a moderate level of physical assistance with activities of daily living. An example would be a resident who needs some physical assistance with bathing.

Mind & Memory Care III $185/day

For residents who require a substantial amount of physical assistance with some activities of daily living due either to care needs or behaviors. An example would be a resident requiring substantial or total physical assistance for dining, bathing and dressing.

Mind & Memory Care IV $225/day

For residents who have extensive needs, such as a need for total care with one or more activities of daily living or a substantial amount of assistance warranted on a daily basis. A resident using a mechanical or electric lift on an ongoing basis for transfers would be on Level IV at a minimum.

Mind & Memory Care V $280/day

For residents who need total assistance with all aspects of care, including assistance with dining. They may also require extensive emotional/behavioral support.

Personal service plans vary from individual to individual and are based on a healthcare review performed by our staff to determine what personal assistance or medical care is requested or required. The healthcare review is performed prior to moving in and at regular intervals after move-in.
